

# SOUP & SLEEP

Food on the Table is a 100% profit for purpose venue and functions/meetings space, providing food, support, and training opportunities for marginalised groups, including those experiencing homelessness. All profits generated service our mission. Our core vision for our humble venue is to be a place that in some way provides hope, support, love and inspiration to our community.

**Soup&Sleep is Food on the Table's major annual fundraising activity to help us in our mission to make sure that "No One Goes Hungry!"**

On the night of our fundraiser, Thursday June 8th 2023, we will all gather together at our awesome new home at 2 Chief St Hindmarsh and we will be cooking up a storm to feed those in need (with the help of some iconic local chefs), entertained (by some fabulous celebrity entertainers), and most importantly hear from people sharing their own often confronting stories, about just how hard life can be at times for many in the community, not as fortunate as you or I. To finish the night we'll be sleeping rough ourselves, sleeping on just a piece of cardboard under the stars in the car park. A humbling experience, though of course we all then get to go home to our own beds the next night.

All proceeds raised on the night go directly towards feeding and supporting those who are doing it tough right now, and cannot afford a fresh and healthy meal, and towards providing training opportunities to help others help themselves.

You can support Soup&Sleep by either:

- making a fully tax deductible donation or
- registering to participate and join us on the night, raising money through your own community sponsoring you to sleep rough for the night
